### TRAVEL NOTES

#### **Spam (the kind you eat)**

It's called building family memories: On April 1, the first Spam "torch carry" will leave New York City for Austin, Texas, where the 26th annual Spamarama (a kind of culinary cultural Woodstock for Spam lovers) will be April 3 in Waterloo Park.

Anyway, Spam says it's looking for runners to carry a large can of Spam on a stick through Indianapolis on the Spam run. Interested runners can call Nancy Goldstein at (212) 627-5766.

Spamarama events include the Spam Cook-Off, the Spam Toss, a Spam Relay College Challenge and the World Championship Spam Burger Eating Contest.
